FOR CADDO PARISH ASSESSOR'S OFFICE

Attached is the proposed budget for the fiscal year 2021, beginning January 1, 2021. It represents continuation of present service levels and is fiscally conservative with expenditures budgeted within available funds. It represents anticipated revenues such as taxes received from the 2020 Tax Roll, anticipated interest earned, revenue sharing, prior years fund balance and other anticipated miscellaneous revenues.

In the assessor's office, there is only one fund at this time and all is inclusive under the Assessor's Salary and Expense Fund as provided by Title 47:1906, 1907, and 1908. The budget basically includes a pay increase for the employees on a salary basis with some few promotions, merit and educational raises. It also projects an anticipated rise in cost of rental of equipment, maintenance, and insurance.

This presentation is in a fashion and detail, which will be helpful to us in formulating a financial plan for the ensuing (2021) budget year. Additional back up information is available at the Caddo Parish Assessor's Office, 501 Texas Street, Room 102, Shreveport, Louisiana, 71101, if there is a need in interpreting specific items of the budget.

Consideration will be given to any input presented at the public hearing, which has been legally advertised according to law and will be held on Thursday, December 10, 2020. Information given at the public hearing may result in adjustments to the attached budget and if this is the case, those adjustments will be included and properly documented as an amendment to the budget and this message, as needed.

Sincerely,

CHARLES R. HENINGTON, JR., C.L.A.  
ASSESSOR CADDO PARISH, LOUISIANA
